During the course of last weekend I thoroughly enjoyed the opportunity to catch up with a number of Old Boys who had been at Rathkeale between 1983 and 1987. Their obvious pleasure at getting back together again was infectious and one could not help feeling proud of them as a group. One also felt proud when talking about the Rathkeale of the present and when walking around our beautiful campus with them – much has changed since their day!

Since then the week has been rather predictable with preordained events taking place day by day. A range of internal assessments have most senior heads down which is good!

A small group of talented runners travelled to Waikanae on Wednesday for the Wellington School's Cross Country. The results are as follows:- George Hewitt came 11th in the AWD race and 1st in his category. Callum Hobbs-Turner came 14th in the Yr 9 race out of approximately 70 participants. Tom Quinn came 26th and Michael Hammond came 27th in the under 16 race in which there were approximately 80 participants.

This afternoon's Trinity Service is a significant annual event which brings all three Trinity Schools together under one roof and in the Bishop of Wellington's presence. This does fill the Auditorium to capacity but creates a very special atmosphere.

The school has been informed of the sports fixture's on this weekend at 1st team level and encouraged to attend them in support. Significant games include 1st XV rugby against Wairarapa College at Rathkeale at 12.30pm

Week 7 again features APEX day and is a time when a number of internal assessments will be concluded. Beyond that it will be business as usual in the lead up to Queen's Birthday Weekend.
