A great deal of preparation preceded Wednesday's Open Day and we are grateful to all who supported the day in any way. At School Assembly, the boys were reminded that we all benefit from a strong roll and that they, and their families, are our very best advertisement. With that in mind, may I ask that any potential students are made aware of the College and what it has to offer. We would be pleased to hear from them.

Some twenty years ago Mrs Kerry Cartmell joined the staff of the Central Kitchen. Since that time she has been promoted to an administrative role and currently is in charge of the catering for all three Trinity Schools. It is a huge job which ensures the production of around one and a half thousand meals a day. Over the years Kerry has been a loyal and respected member of our community. We will miss her greatly when she finishes her employment this week and wish her and Arthur well for the next phase of their lives.

A new school tutor arrived this week from South Africa. Philemon Sithole is an Old Boy of Wynberg Boys' High School in Capetown and will reside in Repton House for the remainder of this year.

Next week will be punctuated by a number of significant events. The Wairarapa Inter Collegiate Cross Country will take place at Henley Lake on Wednesday, whilst the Year 12 and 13 Food and Nutrition students will accompany Mrs Gilman to the Wellington Food Festival on Friday.

Grant Harper
Deputy Principal
